Jaxson Middleton Oliver Wojniak Jason Porter

### Polite Notice

Could all parents/carers please call the absence line and leave a message before 9am if your son/daughter is not attending the Academy. Please leave the child's name, year group and the reason for the absence. We would also ask that a message is left on each day of absence please.

Thank You

### 100% ATTENDANCE WINNERS

Hayden Round George Brammer Emmie Frith  
Thomas Sykes Jack Toyne Hattie Flint Harry Fisher  
Harley Picton

### Attendance

Attendance this week: 90.4%

### Diary Dates

Monday 13th June	Heights and Weights Reception & Year 6
Tuesday 21st June	Danum Gallery Year 2
Wednesday 6th July	Reception White Post Farm

This week we have been learning about the life cycle of a butterfly. We have had an exciting delivery of some caterpillars, we can't wait to watch them grow.

#### The Supertatoes & The Owl Babies

In Reception this week we have enjoyed learning the story 'Mrs Armitage on wheels', we have been writing about what we would like on our bikes. In Maths we have been doubling amounts.

#### The Pirates Next Door & The Wild Things

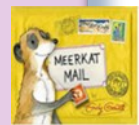

In Year 1 in maths we have been learning how to share amounts equally. It has been challenging at times but we are now all experts! We have also been challenging ourselves by independently logging in to the school laptops using our very own username and password and feeling a great sense of pride knowing that we can do it ourselves without our teachers help.

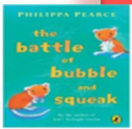

#### Salty Dogs & Meercats

In Year 2 we have been creating our own magic potion based on George's Marvellous Medicine!

#### Bubble and Squeaks & The Abominables

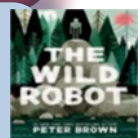

In Year 3 we have been learning what magnets are and experimenting with different types of magnet.

#### The Dragons & The Wild Robots

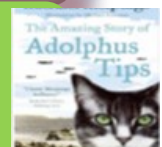

In Year 4 this week, we have started our new Geography unit on North America. We have used Atlases to remind ourselves of the 7 continents and then to name the countries that make up the continent of North America. please continue to encourage children to be practising their tables as the MTC will be taking place next week.

#### The Emporiums & The Tips

In Year 5 we have been analysing newspaper articles in English and focussing on our retrieval skills in guided reading, in particular skimming and scanning a text

#### The Few Who Flew & The Lighthouse Class

In Year 6 in Maths we have been problem solving using the four operations, in English we have been editing our independent pieces of writing and in science we have been learning about how the earth has changed and how species evolve over time.
