

PE In Year 1

Please ensure that children bring their PE kit on a Monday and keep it in school until Friday.

Children should not wear any jewellery and long hair should be tied back.

Homework in Year 1

Children are expected to read at home a minimum of three times per week in order to practice and apply their phonics knowledge.

Spellings will be assigned each week based on each child's individual phonics level. This will be monitored in class.

Homework will be celebrated each week with a 'Homework Hero' as well as reading celebration in class.

If You Have Any Questions

Miss Johnson and Miss Hardy are happy to discuss any questions or concerns you may have, please make an appointment or ring the school office.

Welcome to Autumn
Term of Year 1!

Welcome to Year 1!

Miss Hardy and Miss Johnson are so excited to be welcoming the children back after the summer break. We have an exciting year planned!

Reading in Year 1

In our reading lessons we will be focusing on the books 'Dogger' and 'Pumpkin Soup', discussing the themes and characters.

We encourage children to bring their phonics books and reading diaries daily as these are monitored and there are prizes to be won for reading at home. These books will be changed by the teacher after the children have read and recorded this three times.

We will continue the phonics journey started in reception by recapping phase 3 sounds and learning phase 5 sounds. We will practice spotting these in words before sounding out and reading them.

Maths in Year 1

We will be exploring numbers to 20, learning how to count, record and compare them.

The Reading Enhanced Curriculum in Year 1

This term we will be reading 'My Stinky New School' and using it to explore map making of our school environment. We will then look at how transport has changed throughout history.

RE

We will explore stories, celebrations and festivals of Christians and Jews.

MUSIC

We will begin to find the pulse within a piece of music, moving our bodies and clapping along.

PSHE

We will discuss our personal strengths, weaknesses and challenges for the year. Setting ourselves goals and targets.

Computing

We will identify technology around us and begin to learn how to access laptop computers.

PE

We will be practicing and developing our ball skills through a variety of games.
