

PE In Year 6

We would appreciate your support in ensuring your child has a full PE kit in school all week.

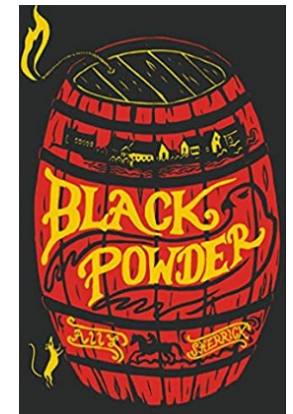

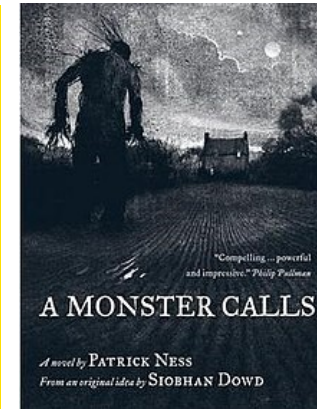

Homework in Year 6

There is an expectation that your child reads at least 3 times a week and this is recorded in their reading diary. We will also set regular basic skills exercises which will include spelling, arithmetic, grammar and reading comprehension. We will always make sure that your child knows when this is due in.

Homework will be celebrated each week with a 'Homework Hero' as well as reading celebration in class.

If You Have Any Questions

As a Year 6 team, we are always available to answer any questions that you may have regarding your child's journey in Year 6. Please do not hesitate to contact the school office to make an appointment.

Welcome to Autumn Term
of Year 6!

Welcome to Year 6!

We are really looking forward to an exciting and productive year in Year 6.

Reading in Year 6

In the autumn term, our class text is Holes. We will be focusing on fluency and reading for meaning, using a range of reading strategies.

Reading books will be checked daily and rewards will be given to those who are reading three times a week.

Now that your child is in Year 6, we understand that there is less need for them to read aloud to an adult. We would appreciate your support in ensuring their diaries are signed.

Writing in Year 6

Our first Talk for Writing unit is based on the text The Tibecena, which is a suspense story. We will be embedding prior writing skills throughout this unit.

Maths in Year 6

In readiness for SATs we are focusing on arithmetic, place value and number, which will be the first units taught.

The Reading Enhanced Curriculum in Year 6

We will begin by learning about changes to the British Monarchy and the Stuart Period in history which will then lead into looking at the geography of Antarctica, so that we can answer the question “Is changing the world worth the side effects?”
